# Another Successful Season

The 2001 Basketball season has officially come to an end.

It was a great season; all players participated, had fun, and learned basketball skills. These are all great indicators of a successful season.

Boys and girls aged 13-14 (7-8 grade), had the chance to play intramural basketball against other teams in our area. They were able to travel to these schools, which gave them an experience that children their age have in the

from five different spots marked on the court. The distance from the basket was determined by their age. The contest winners each received a regulation basketball and everyone received a participation certificate.

The winners were:

5-6 year olds: Chase Shipp

7-9 year olds: Scott Rassatt

10-12 year olds: Chad Nagoy

13-15 year olds: Mike Chermack

16-18 year olds: Deon Bias

states. We would like to express our appreciation to Jim McFarlane and Charles Shipp for coaching and mentoring these children. Job well done!

I would also like to recognize the cheerleaders and their coaches. This was a new program for us, but the coaches jumped right in and helped make it successful and the girls had the spirit, style, and grace in cheering for all age groups. It made for an enthusiastic season!

On March 10<sup>th</sup>, the Naval Youth Activities Boys & Girls Club hosted a Basketball Shootout sponsored by Nike. We had 55 participants; each had to shoot 25 shots
